The Navy, Marine Corps and
Boys & Girls Clubs of America
Partnership

MISSION
— YOUTH OUTREACH —

An opportunity for all kids
of Active Duty and Activated Reserve
Navy and Marine Corps personnel to attend
Boys & Girls Clubs FREE OF CHARGE!

Times of national crisis can dramatically disrupt a military family's life. This is especially true for the children of mobilized Reserve and Active Duty military personnel. But these young people can be a part of an organization that knows all about their needs – Boys & Girls Clubs.

Clubs have changed young lives for more than 140 years. Serving more than 4.4 million young people with trained, caring staff and nationally recognized programs, Boys & Girls Clubs are widely recognized as "The Positive Place for Kids."

A PARTNERSHIP THAT WORKS

Today over 400 on-installation military Youth Centers are Boys & Girls Club affiliates. Children of military personnel, even when living off-installation, now can go to any Club in their area.

Whether on or off-installation, all Clubs offer programs designed to develop good character, build leadership and provide guidance in behavior and attitudes. Kids spend time with professional staff who truly care and are vested in realizing the full potential of each young person.

And now, through a Department of Defense initiative, Navy and Marine Corps family members can receive free programs and services through their local Boys & Girls Clubs.

Through our military partnership, it's our way of giving something back and providing outreach for your children – in return for all you give to America.

WHAT DOES A BOYS & GIRLS CLUB OFFER?

Whether on or off-installation, the Club is a place that offers a unique and wide variety of educational, recreational, cultural and social activities for youth between the ages of 6 and 18.

The Clubs nurture and enrich young lives by giving boys and girls opportunities for personal growth and achievement. A typical Club has an arts and crafts area, gymnasium, library, gamesroom and multi-purpose room. Some Clubs have swimming pools, music departments, computer learning centers, camps and outdoor play areas. All Boys & Girls Clubs are supervised by trained youth development professionals – a caring staff that gives special attention to your children!

Based on the physical, emotional, cultural and social needs and interests of young people, and recognizing developmental principles, Clubs offer diversified program activities in five areas:

- **Character and Leadership Development**
- **Education and Career Development**
- **Health and Life Skills**
- **The Arts**
- **Sports, Fitness and Recreation**

Most Clubs operate every day but Sunday to ensure daily after-school and Saturday accessibility for youth. At the Club your kids will have the opportunity to participate in programs designed to meet their needs and interests. Examples of Club programs include computer instruction, sports leagues, photography, tutoring, arts and crafts, social events and field trips.

WHERE'S THE NEAREST CLUB?

Every military Youth Center worldwide is a BGCA affiliate. For those military families living off-installation, a local Boys & Girls Club can be found using BGCA's Club locator at www.bgca.org/military. This site gives you the five Clubs located closest to your family. You can also look in your local phone directory for Club listings.

HOW DO I REDEEM THE VOUCHER?

All Boys & Girls Clubs have their doors open to youth from military families. Just present your completed voucher to front desk personnel at your local Club. Your children will be welcomed with no fee to pay!
